Space City CU wins Chamber “Amigo” Award

(October 23, 2012) – Houston, TX. – Space City Credit Union was recently honored with the East End Amigo Award at the Houston East End Chamber of Commerce’s 17th Annual Awards & Scholarship Celebration. The award is presented to “the organization that made a significant contribution to the East End business or residential community.”

Among other contributions, Space City CU recently made a significant investment to improve its branch located at 3101 Harrisburg Blvd. near the new soccer and baseball stadiums. The improvement significantly upgraded the profile of the community.

“Space City Credit Union is deserving of this award because of their hard work, passion and dedication to our East End Community, especially through the services they provide, their close ties to their customer/members, the scholarships they give to deserving students and so much more,” said Frances Castañeda Dyess, President of the Houston East End Chamber of Commerce.

Previous winners of the Amigo Award include New Hope Housing, Inc., Citizens Transportation Coalition, Brady’s Landing, and Buffalo Marine Service. For more information about Space City Credit Union visit their web site at www.SpaceCityCU.com.
