Space City Credit Union announces the promotion of Paula Newkirk to Member Solutions Supervisor.

(May 18, 2012) – Houston, TX. – Space City Credit Union is pleased to announce that Paula Newkirk has been promoted to the position of Member Solutions Supervisor. Space City CEO Craig Rohden commented that Paula is talented and works very hard to serve our members. She is a consistent leader in the loan department, manages a branch, and also manages the collection department. Due in large part to Paula’s performance, both departments consistently exceed annual goals.

Paula was previously the Branch Manager at the credit union’s GE Jacinto Port office. Paula will still maintain an office at the Jacinto Port facility; however, along with managing the collection department, her new duties will include product and system training.

Paula received her BBA in Business from Stephen F. Austin University.
